Primed & Ready

Barnett has Expanded its In-Stock Door Offering to Include Flat Panel Shaker Doors by Woodgrain.

Woodgrain Doors are manufactured upholding the industry's highest standard of authentic stile and rail construction. The Primed Flat Panel doors have a MDF face over engineered wood stile and rail components with solid MDF panels, the foundation for a high quality smooth finish for superior paintability.

In addition to our stock items, Woodgrain has thousands of other primed doors, in both flat and raised panel options, built to order in 4-5 week lead time at our Nampa facility.
